

7/8/08

Honorable Judge:
AS I am Writting to you ON behalf, of
assistant, in Identifying the John Doe
defendants pursuant to *Valentin v. Dinkins*,
121 F.3d 72 (2d Cir. 1997).

AS I have already name defendants
in my original Complaint (which at that time
was review under a Civil Complaint, (Case
Number 9:07-CV-1345, in the United States
District Court, Northern District of New York
100 S. Clinton Street P.O. Box 7367, Syracuse NY
13261-7367. I was assign to the Honorable
District Judge Lawrence E. Kahn; and the
Honorable Magistrate Judge David R. Homer:

My Filing Date, for this Complaint was
December 26, 2007. However the decision
that was made, has appointed me, to the
United States District Court, Southern District
of New York. US Courthouse. 500 Pearl Street
New York. N.Y 10007. Because of the
defendant's that was name in my Complaint,
and one such defendant, as being Bare Hill
Correctional Facility Medical Staff, was dismiss
on 2/19/08, from the Honorable Judge
Lawrence E. Kahn. It was said that Bare Hill
was not directly invole.

My Next defendant was Bader Maria
Pedemonte Coira, Medical Director, was also
dismiss, even though she was on such

Documents. She too was not directly involve, but someone is responsible for their negligent action. As I cannot pin point the Doctor's or Physican's that was directly involve, in conclusion of my physical, this is why I am asking your assistant in this very important matter.

My Complaint took place at Downstate Correctional Facility, on Jan. 4, 2007, between the hour of 8 AM and 10 AM. Only than after I was discharge from D.O.C.S, did I found out, that I had a serious illness, (once I receive my Medical discharge papers) at that time, it was to late to receive treatment, and treatment was not given to me, (while I was in early stages of my illness, at D.O.C.S (which could of prevented me, from physical and undue hardship. The stress, and pain and emotional feeling that I feel, has destroy and ruin my life, knowing that I will never be able to have kids, or a family for that matter. At the time of my incarceration my Din-number, was 02R5993, and because I saw so many Doctor's, and physican's that day, I really dont know who is responsible.

The Court's had sent me paper's telling me that, being that I was not sure who was responsible, that I can name my defendant's as John Doe, so in return that is what I did.

Now they wrote me back, telling me, to try and find out who was responsible. Right Now under the Freedom information act, I am writing to the place (D.O.C.S) that the incident took place, Also I have wrote to the Facility that I am house at, requesting to them, that I am seeking my Medical records from Downstate Correctional Facility. I Still haven't heard Nothing from them yet. I don't know what to do next, I Still have this amend Complaint I have to Fill out, and send back to the Courts.

Until I Can Identify my defendant's my Complaint cannot go forward. I Can name Downstate Correctional Facility and its Medical Staff as defendant's, but I just want to name those responsible for their Negligent. Your Honor your Expertise and Experienced is very much Needed. Once again Thank you in this very important Matter.
